Selected coursework and concepts

CONSUMER BEHAVIOUR · MARKET ENTRY

Decoding the Consumer Mind & Bangladesh Market Entry Strategy: A Consumer Behavior Analysis of Headspace Inc.

Conducted academic research into consumer behaviour and considered market-entry strategy for Headspace Inc. in the Bangladesh market.

HUMAN RESOURCES · EDUCATION

Upskilling and Reskilling and Their Effects on Employee Performance in the Education System of Bangladesh

Explored how employee upskilling and reskilling may influence performance in Bangladesh's education sector.

SOCIAL ISSUES · BANGLADESH

Social Problems in Bangladesh

Studied key social problems in Bangladesh and their implications for society.

INTERNATIONAL MARKETING · SAMSUNG

International Brands in Bangladesh: Samsung and Its Marketing Strategies

Analysed Samsung's presence in Bangladesh and its marketing strategies as an international brand.

ACADEMIC CONCEPT · AGRICULTURE

AgroAI — AI-Based Plant Disease Detection Concept

Developed an academic concept using AI to identify plant diseases from leaf images and provide crop-care guidance, with a proposed freemium business model. This is a concept, not a deployed product.

SUPPLY CHAIN · UNILEVER BANGLADESH

Supply Chain Risk Management at Unilever Bangladesh

Prepared academic research and presentation content on supply-chain risks, mitigation strategies, and operational performance.
